OK – Sarah and Kathleen, we are on for tomorrow with Water Gen. We will use Sarah's conference line. I will go to Geoff's office. Sarah and Kathleen will be calling in.

Carmen and Ronny, you are invited to Geoff's office, 10:00 tomorrow morning, if you want to sit in. Might be boring – wait - I mean, exciting! Well, at least interesting...? ☺

Dear Laura,

Thank you very much for your response. We can indeed hold the call at the time you appointed, and we will dial-in to the number you listed in the invite. Will it be you and Geoff from the EPA? From our side it will be Liat (Counsel), either Ed or Yehuda, and myself.

Looking forward to speaking tomorrow!

Hello Zach. I just sent you a meeting invitation for a phone call on Wednesday. I know it's short notice. I looked out on our calendars here in DC and the next date wouldn't be for at least a week.

I'm hoping you and your team will be free on Wednesday at 5:00 pm your time (10:00 am Washington DC time). If not, please let me know and I'll try again.

I look forward to speaking with you! - Laura

Dear Laura and Geoff,

I hope this email finds you both well! Liat is our Head Counsel at Water-Gen, and she has been going over the various documents sent to us by Ardra last week. She wants to make sure that she understands certain issues, so I thought I would introduce you all as the respective "team leads" for all legal issues in order to facilitate a conversation.

Could you suggest some relevant times for a call? FYI - Israel is 7 hours ahead of EST (7:00 PM here is 12:00 PM EST), so perhaps we can schedule a call sometime during the morning hours your time.

Thanks so much!
